TAS | Campus Qualifications by Academic Year

Four separate academic-year tables • Secondary qualifications and Primary AQA achievements are never combined • No pupil names

GCSE percentages use the previously reported GCSE-candidate/Year 11 proxy, not a verified Year 11 roll. Figures for 2026/27 are partial and must not be compared with completed academic years.

Primary averages use pupils with recorded AQA achievements. The Old Library and Abingdon are retained as named in the 2023/24 source rather than assumed to be later campus names. Unmatched GCSE candidates are assigned to EdSpace for reconciliation, not as a verified campus allocation.

Method: Results are assigned to the year indicated in source headings, with repeated records deduplicated. GCSE grades 1–9 only; U/NC/X excluded. In 2024/25 and 2025/26 standalone BTEC 1–2 units excluded; in 2026/27 HT1, 1 Unit included as a separate recorded outcome, not necessarily a completed qualification. Primary AQA achievements are excluded from every Secondary total.
