Part 1 | Completed academic years 2023/24, 2024/25 and 2025/26

2023/24 is incorporated from the campus results and June 2024 GCSE sheet

1. Whole School SECONDARY qualification totals

SECONDARY measure (excludes AQA)	2023/24	2024/25	2025/26

WHOLE SCHOOL	262	91	2.88	413	181	2.28	591	167	3.54

Campus denominators count pupils explicitly identifiable under the relevant academic-year heading. Figures may understate enrolment if a pupil has no dated entry. The figures are not verified against an official enrolment register.

4. Year 11 GCSE outcomes

Year	GCSE cohort proxy*	Maths GCSE	Maths %	English GCSE	English %	All GCSEs
23/24	32	17	53.1%	15	46.9%	32
24/25	49	22	44.9%	23	46.9%	47
25/26	42	25	59.5%	23	54.8%	51

*GCSE percentages use pupils explicitly marked Year 11 and/or GCSE candidates as a proxy, not a verified Year 11 roll. For 2023/24 the proxy combines Year 11 labels in the campus source with the GCSE results sheet; 2024/25 and 2025/26 retain the previously reported cohort proxies.

5. SECONDARY improvement analysis: 2023/24 to 2024/25 to 2025/26

Whole School recorded Secondary qualifications were 262 in 2023/24, 413 in 2024/25 and 591 in 2025/26. This represents +151 from 2023/24 to 2024/25 and +178 from 2024/25 to 2025/26; changing campus structures and pupil coverage limit direct comparability.

The recorded Secondary qualifications-per-pupil measure is 2.88 in 2023/24, 2.28 in 2024/25 and 3.54 in 2025/26. Comparisons are descriptive, with denominators derived from source pupil listings.

PRIMARY ONLY | AQA achievements by campus and academic year

AQA achievements are attributed to the campus where recorded and reported separately under Primary. Each distinct AQA achievement for a pupil is counted once within its academic year. Primary averages use the number of distinct pupils with AQA achievements recorded at that campus in that year; this is not necessarily the full primary enrolment.

Primary campus / provision (AQA only)	23/24 AQA	23/24 pupils	23/24 avg	24/25 AQA	24/25 pupils	24/25 avg	25/26 AQA	25/26 pupils	25/26 avg

STRICT SEPARATION: All AQA achievements belong exclusively to the Primary tables and Primary qualifications-per-pupil calculations. They are NOT included in any Secondary campus qualification total, Secondary average, Whole School qualification total, GCSE total, BTEC total, or Secondary year-on-year improvement figure. Primary and Secondary figures must not be added together when reporting Secondary outcomes. Where source headings do not establish a specific campus, the source classification is retained rather than guessing.

This section uses the October 2026 HT1 BTEC hand-in spreadsheet. For this 2026/27 HT1 section ONLY, entries described as “1 unit” are included as a separate result category. Results are split into Certificate, Partial Certificate, Award and 1 Unit, with Sport and Land-based Studies identified separately. These are recorded verified awarded qualifications.
