

Inclusivity Statement

At The Alternative School Trust, we're committed to creating a school community where everyone feels welcome, supported, and valued. We know that each of our pupils brings unique strengths, experiences, and perspectives, and we're here to celebrate and embrace those differences.

Our approach to inclusivity means that every pupil, regardless of background, needs, or identity, has equal opportunities to learn, grow, and succeed. We work to make sure that everyone in our school community feels safe and respected, creating an environment where individuality is not only accepted but encouraged.

Through our teaching, activities, and everyday interactions, we focus on building understanding, respect, and a sense of belonging. By working closely with families and the wider community, we help our pupils become confident, caring, and inclusive young people who are ready to make a positive difference in the world.

At The Alternative School Trust, we're always learning and evolving. We listen to feedback, update our practices, and remain committed to making our school a place where everyone feels valued and empowered.
